## Mission

### Engineering Bureau

To provide quality professional design and inspection services for various City-sponsored infrastructure, safety, transportation, and environmental projects.

### Compliance

To monitor, oversee, and respond as appropriate to ensure compliance with the Lease Agreement and Standards of Practice by Lehigh County Authority in operating and maintaining the City's water and sewer systems.

### Street Bureau

To provide safe and efficient roadways within the community through a process of multiple maintenance and construction activities.

To provide a clean environment through a comprehensive street cleaning and leaf program.

To provide emergency services as required for weather related emergency situations.

### Traffic Planning Bureau

To provide an efficient transportation system achieving convenient, safe and efficient movement of people and goods in order to enhance economic activity, relieve congestion and promote energy conservation.

### Street Lighting

To provide and maintain lighting on the City's street network, enhancing the safety of vehicular and pedestrian traffic at night.

### Building Maintenance

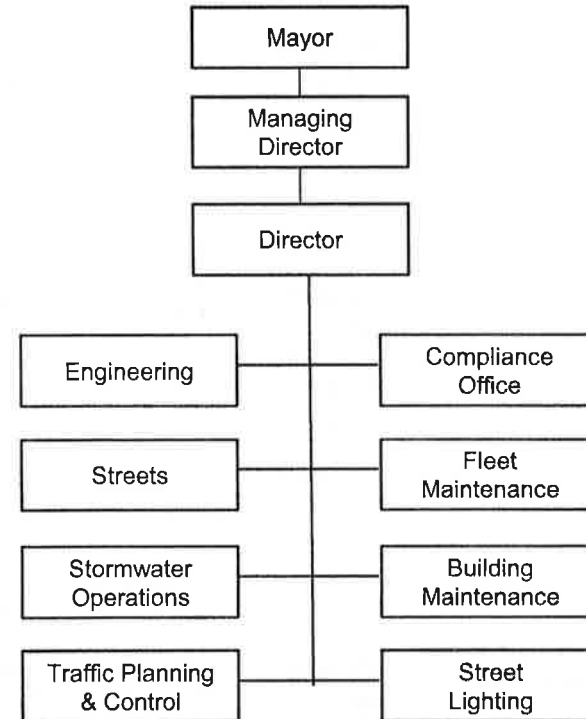

To ensure the preservation of City buildings and their systems through normal maintenance procedures, preventative maintenance programs and general housekeeping for the health and safety of the public and City employees.

### Fleet Maintenance Operations

To monitor the contract for the ongoing repair and maintenance of the City's fleet of vehicles. Assists in the comprehensive replacement plan for City fleet vehicles.

### Stormwater Operations

The program maintains, repairs and replaces all storm sewer infrastructure. Develops and implements procedures to carry out the requirements of the City's separate Storm Sewer Permit, NPDES and Section 402(p) of the Clean Water Act. Monitors water quality in the watersheds to ensure the primary sources of water for the public water supply are not degraded.
