- Summary and Facts of the Bill

**The City is in receipt of payment from Lehigh Valley IronPigs Baseball franchise for the purpose of covering our maximum costs associated with providing on-scene emergency medical services (EMS) staffing, normally two (2) paramedics, at every home game played during the months of April, May, June and July 2010.**

**Allentown paramedics and the Lehigh Valley IronPigs have agreed to partner in a relationship whereby Allentown's paramedics will provide all EMS at events that occur in Coca-Cola park under the direction and control of the IronPigs. The fee to provide these services to the IronPigs is calculated to be the maximum expected cost to provide paramedic staff services without the intent of making a profit (zero-sum). The benefits of our presence at the park have already been seen by faster provisioning of needed emergency medical services. This relationship will occur monthly through the 2010 baseball season.**

**Numerous citizens have been assisted by our immediately available paramedic services at the park; some of which have been life-saving. The visibility of City of Allentown paramedics at this large venue provides a show of pride and professionalism to the citizens and visitors of Allentown who attend these games and events. Our presence is good for the image of the City of Allentown and benefits the public by way of quick emergency response.**
