

## CITY OF ALLENTOWN – DEPT. OF PUBLIC WORKS 2024 ISA CERTIFIED TREE SERVICE

**Choose a service from the list to perform the work detailed on the notice.**

This is a list of tree services that have at least one International Society of Arboriculture (ISA) certified arborist on their staff, who has taken an ISA certification course, passed the test for certification and completed renewal requirements to keep his certification current. These tree services have a City of Allentown Business License, have liability insurance as required by the City of Allentown and have workers' compensation as required by the state. An ISA arborist is responsible to perform or supervise the required work on shade trees in the public right-of-way for the tree service.

According to Shade Tree Ordinance No. 14863 (effective 1/1/11), only those tree services on the list below are authorized to work on shade trees in the public right-of-way and can obtain the required permit(s). The City of Allentown, Department of Public Works does not regulate the services of any of those listed for work performed on private property.
